## The Global Leader in Stone & Tile Maintenance

- Smart Products for Sealing, Cleaning, Restoring and Problem Solving
- Easy-To-Use Professional Formulas
- Guaranteed Performance

From  
North America's  
**Best Selling**  
Sealer  
Company

## THE AQUA MIX LEGACY

Aqua Mix products have a 25 + year history of leading the global stone and tile industry with innovative care and maintenance solutions utilizing unique, water-based formulas. Now a part of Custom® Building Products - North America's largest provider of tile and stone installation systems - Aqua Mix continues to expand its worldwide market offering. Aqua Mix is now a worldwide leader, providing customers with products for internationally known projects, and proud to be the trusted source for all tile and stone maintenance needs.

We offer sealers, cleaners, grout colorants, problem-solving and stone restoration products Aqua Mix is proud to offer our customers professional product performance along with unsurpassed innovation and customer support.

## QUALITY, TRUSTED PRODUCTS

Aqua Mix products for any type of stone, tile, grout and masonry are preferred by professionals and homeowners for their easy-to-use formulas and high-quality results.

Professional reputations depend on the lasting beauty and durability of each installation – so they rely on Aqua Mix products to protect and clean with high-performance formulas.

*Aqua Mix is the proud recipient of the 2007 National Tile Council Association (NTCA)'s award for Most Preferred Brand of Sealers and Cleaners.*

Homeowners appreciate our easy-to-use formulas that afford them the opportunity to use the products that industry professionals recommend, so they can maintain their high-quality installations properly.

## INNOVATIONS

Scientists at Custom Building Products research and development laboratory work diligently to deliver innovative products by working side-by-side with research teams around the world to identify emerging trends throughout the stone and tile industry, while earnestly focusing on formulas that are kinder to the environment and still provide maximum performance.

### BUILD GREEN

Aqua Mix low and no VOC (volatile organic compounds) products emit only a low

Contributes to "Leadership in Energy and Environmental Design" certification.

amount of VOCs or none at all, helping to provide better indoor and outdoor air quality compared to similar traditional products.

Aqua Mix has offered low and no VOC sealers for many years, and now these sealers are part of Custom Building Products' BuildGreen® program and earn points toward LEED® (Leadership in Energy and Environmental Design) certification.

### BIODEGRADABLE FORMULA

Aqua Mix's biodegradable cleaners – Concentrated Stone & Tile Cleaner, Stone Deep Clean, and Grout Deep Clean – are designed to break down quickly and naturally in the environment. These upgraded formulas provide the quality performance and commitment to more environmentally responsible products that Aqua Mix customers have come to expect.

Bringing customers innovative products that work in specialized situations is possible because of our forward-thinking scientific team that introduced formulas containing ingredients with NanoSTG™, X2, and Polycure technologies that exceed expectations for product performance.

## CUSTOMER AND TECHNICAL SUPPORT

Together, the Custom and Aqua Mix support team offers a unique combination of highly educated, experienced, and resourceful people who will guide customers to the ideal solution to fit unique project needs – from product support, order inquiries, and maintenance recommendations to technical training and application instructions.

We are proud of our ability to provide fast order processing with product availability from 12 distribution sites across North America and 30 other worldwide locations, including those in the United Kingdom, U.A.E, and others.

Technical and architectural representatives are also available to help with planning, specification writing, product application or installation information to ensure every project goes as smoothly as possible with outstanding results. Continuing education classes, specification assistance, personal product recommendations, and product guides are also available from our technical team.

Visit [aquamix.com](http://aquamix.com) for current product information, surface care recommendations, problem solving tips, Material Safety Data Sheets (MSDS), to locate national and international distributors, and get updates on the latest news from Aqua Mix.

# SEALERS

The advantages of most Aqua Mix sealers are:

- Water-based
- Emit low or no VOCs (Volatile Organic Compounds)
- Prevent a variety of stains –both oil and water-based
- Allow MVT (Moisture Vapor Transmission)
- Apply easily

Many AquaMix products contribute to "Leadership in Energy and Environmental Design" certification.

## PENETRATING SEALERS

Penetrate the surface and protect against oil and water-based stains.

### Sealer's Choice® Gold

Premium, no-sheen, natural-look, low VOC, water-based, penetrating sealer formulated to provide maximum stain protection, especially in food preparation and serving areas. May also be used as a pre-grouting sealer.

**U.S. Sizes:** Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L), 5 Gallon Pail (19 l).

**Canadian Sizes:** Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L), 5 Gallon Pail (19 l).

### Penetrating Sealer

Economical, no-sheen, natural-look, water-based, penetrating sealer designed to resist stains.

**U.S. Sizes:** Quart (946 ml), 1 Gallon (3.8 L), 5 Gallon Pail (19 l).

**Canadian Sizes:** Quart (946 ml), 1 Gallon (3.8 L), 5 Gallon Pail (19 l).

### Grout Sealer

Water-based sealer that resists water, oil, and acid-based contaminants. Simplifies maintenance.

**U.S. Sizes:** Pint (473 ml), 24 Oz. Spray (710 ml), 1 Gallon (3.8 L).

**Canadian Sizes:** Pint (473 ml), 8 oz. Bottle (237 ml), 1 Gallon (3.8 L).

### Ultra-Solv®

Premium, no-sheen, natural-look, solvent-based, penetrating sealer formulated to provide maximum stain protection, especially in food preparation and serving areas. May also be used as a pre-grouting sealer.

**U.S. Sizes:** Quart (946 ml), 1 Gallon (3.8 L).

**Canadian Sizes:** Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L), 5 Gallon Pail (19 l).

### Pro-Solv®

Economical, no-sheen, natural-look, solvent-based, penetrating sealer formulated to resist stains, on porous stone and tile. May also be used as a pre-grouting sealer.

**U.S. Sizes:** Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L).

**Canadian Sizes:** Quart (946 ml), 1 Gallon (3.8 L), 5 Gallon Pail (19 l).

### SameDay™ Grout Sealer

A no-sheen, natural look, **water-based**, non-flammable, aerosol sealer with a 360° nozzle specially formulated for grout. Can be applied as soon as 6 hours after grouting – making sealing an efficient, economical process.

**U.S. Sizes:** 15 oz. Aerosol (444 ml).

**Canadian Sizes:** 15 oz. Aerosol (444 ml).

# WHY SEAL?

- Sealers protect by putting a barrier between contaminants and the surface
- Sealers provide on-going stain resistance
- Sealers prolong the life of the surface

## ENHANCING & PENETRATING SEALERS

Enhance and protect.

### Enrich'N'Seal™

Premium, no-sheen, enhanced-look 100% Polymer-solid, penetrating sealer formulated to darken, enrich, and highlight the character and beauty of unsealed natural stone with Polycure Technology™.

*U.S. Sizes: Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L).*

### Stone Enhancer

Economical enhanced-look, penetrating sealer formulated to darken and highlight the character and beauty of unsealed natural stone. It rejuvenates the color and improves the appearance of worn and weathered stone. May also be used as a pre-grouting sealer.

*U.S. Sizes: Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L).*

*U.S. Sizes: Pint (473 ml), Quart (946 ml), 1 Gallon (3.8 L).*

## TOPICAL/FINISHING SEALERS

Coat and protect.

### High-Gloss Sealer

Water-based formula both a stain resistant surface seal and a durable high-gloss finish eliminating the need for two products.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L)..*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

### Seal & Finish Low Sheen

Specially formulated water-based blend of acrylic polymers that provides both a stain resistant surface seal and a durable low-sheen finish. May also be used as a pre-grouting sealer.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

### Sealer Application Kit

Designed for stone and tile sealer application and cleanup. The kit contains 1 (4" x 4") sponge application pad for easy sealer application with less waste and 2 (18" x 18") microfiber towels for quick cleanup after sealing. Application pad distributes sealer efficiently for even application. Microfiber towels lift, trap and absorb dirt and particles. Will not scratch stone surfaces, reusable, absorbent and long-lasting.

*U.S. Sizes: 1 Kit.*

*Canadian Sizes: Not available.*

### Floor Shine & Hardener

Clear durable floor finish that resists surface abuse.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

# CLEANERS

The advantages of Aqua Mix cleaners:

- Specifically formulated to be part of the perfect routine or heavy-duty cleaning solution for any stone, tile or grout surface
- Safely remove stains, dirt and grease
- Restore the appearance of neglected or heavy use areas

General purpose, acid based cleaners, especially those containing lemon, acid, bleach or vinegar can visibly damage or etch the tile or stone surface.

Aqua Mix routine cleaners are non-acidic and won't damage stone, tile or grout.

*Many AquaMix cleaners are designed to break down quickly and naturally in the environment.*

## ROUTINE CLEANERS

### AquaKleen™

Ready-to-use, powerful, multi-purpose tile and grout spray cleaner that also deodorizes kitchens and bathrooms. Removes grease, grime, and dirt, including kitchen traffic dirt.

*U.S. Sizes: 24 oz. Spray (710 ml).*

*Canadian Sizes: Not available in Canada*

### Stone Clean & Shine

Spray-and-buff cleane designed to enhance the natural beauty of stone.

*U.S. Sizes: 24 oz. Spray (710 ml).*

*Canadian Sizes: 24 oz. Spray (710 ml).*

### Concentrated Stone & Tile Cleaner

Super-concentrated neutral pH cleaner formulated for everyday use. This neutral cleaner, when used regularly, prevents soap scum build up and hard water deposits.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

### Brilliance®

Polishing cream and cleaner that nourishes and adds luster to polished stone countertops and walls.

*U.S. Sizes: 8 oz. Bottle (237 ml).*

*Canadian Sizes: Not available in Canada*

# HEAVY DUTY CLEANING

Aqua Mix heavy-duty cleaners that contain alkali are ideal for special circumstances requiring deep cleaning.

## HEAVY DUTY CLEANERS

BIODEGRADABLE  
FORMULA

### Grout Deep Clean

Powerful cleaner designed to remove grease, food stains, soap scum, hard water deposits, dirt and soil from grout joints. Restores original color and appearance of dirty and stained grout.

*U.S. Sizes: 24 oz. Spray (710 ml).*

*Canadian Sizes: 24 oz. Spray (710 ml).*

### Heavy Duty Tile & Grout Cleaner

Concentrated, high-alkaline cleaner and degreaser. Effectively removes grease, soap scum, body oil, mildew stains, and algae from areas that have been neglected or subjected to heavy use. Specially formulated to strip off synthetic and acrylic waxes and floor finishes.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

BIODEGRADABLE  
FORMULA

### Stone Deep Clean

Concentrated heavy-duty cleaner wax stripper, and degreaser designed to clean stone surfaces that have been neglected or subjected to heavy use.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

# PROBLEM SOLVERS

Occasionally stone, tile, or grout areas need special attention to remove deep-set stains or efflorescence, stripping old finishes or cleaning grout haze. Aqua Mix problem solving products provide a safe and effective solution for these needs.

**FOR TOUGH STAINS — GROUT HAZE — RUST — MINERAL DEPOSITS — SEALERS — EFFLORESCENCE**

## NanoScrub®

Powerful abrasive cream cleaner with NanoSTG™ (nano-sized particles) to penetrate into small surface pores where it can effectively work to remove surface stains and residues. Effective for cleaning all stone and tile surfaces. NanoScrub® is nontoxic, non-flammable and non-acidic.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).  
Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

## Grout Haze Clean-Up

Concentrated cleaner for removal of cementitious grout haze and latex additive film from tile during the grout cleanup process. It may also be used full-strength to remove light grout residue within the first 10 days after grouting.

*U.S. Sizes: Pint (473 ml).  
Canadian Sizes: Pint (473 ml).*

## Phosphoric Acid Substitute

Premixed acidic treatment designed to remove grout haze, mineral deposits, rust stains, mortar smears, and efflorescence. Also removes cement grout and mortar residue from tile, concrete, and masonry. Etches concrete. No VOCs, No phosphates.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).  
Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

## Grout Release

A temporary, water soluble, pre-grout coating to protect masonry and stone against grout and mortar staining.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L),  
5 Gallon Pail (19 l).  
Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

## Sulfamic Acid Crystals

Removes cured grout and mortar haze, rust and mineral deposits including efflorescence.

*U.S. Sizes: 1 lb. (452 g) Jar & 4 lb. (1.8 kg) Jar.  
Canadian Sizes: 1 lb. (452 g) Jar.*

## Poultice Stain Remover

Non-acidic stain remover. Removes deep-set oil and grease stains without scrubbing.

*U.S. Sizes: 3/4 lb. (452 g) Jar.  
Canadian Sizes: 3/4 lb. (452 g) Jar.*

NanoScrub

**Eff-Ex®**

Contains EX-2™ Technology, which removes and inhibits efflorescence.

*U.S. Sizes: 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L)*

**Sealer & Coating Remover**

Fast, powerful stripper to remove most sealers, epoxy grout haze, urethane coatings, synthetic finishes, adhesives, and paints. Also dissolves deep-set stains and removes heavy grease buildup.

*U.S. Sizes: Quart (946 ml), 1 Gallon (3.8 L).*

*Canadian Sizes: Quart (946 ml), 1 Gallon (3.8 L)*

# STONE RESTORATION

Bring back the life and beauty to dull, scratched, or etched and neglected calcium-based natural stone with Aqua Mix's stone restoration products.

## STONE RESTORATION

For polished stone.

### Knockdown®

Honing powder that removes light surface scratches, moderate acid etching, and wear patterns and produces an even, flat, honed finish.

*U.S. Sizes: 2 lb. (907 g) Bottle.*

*Canadian Sizes: Not available in Canada.*

### Renue®

A polishing cream that restores the shine to dull, etched, or lightly scratched polished natural stone.

*U.S. Sizes: 8 Oz. Bottle (237 ml).*

*Canadian Sizes: Not available in Canada.*

Before Reviver

After Reviver

### Reviver®

A user-friendly, ready-mixed paste for polish restoration and maintenance of worn, calcium-based, polished stone.

*U.S. Sizes: 10 lb. (4.5 kg) Tub.*

# COLORANT

No need to dig out and replace dirty and stained grout. Aqua Mix's grout colorant products are easy to apply. They clean, seal, restore, and recolor grout.

## COLORANTS

For grout and Saltillo.

Grout Colorant Pre-Treat Cleaner

### Grout Colorant

An easy-to-use waterborne epoxy that re-colors, seals and rejuvenates existing grout joints.

*U.S. Sizes: 8 Oz. (237 ml).*

*Canadian Sizes: 8 Oz. (237 ml).*

**Also available in all Custom Building Products' grout colors.**

### Grout Colorant Pre-Treat Cleaner

Removes dirt, soil, soap scum and hard water deposits from grout joints. Prepares grout joints for a superior bond.

*U.S. Sizes: 8 Oz. (237 ml).*

*Canadian Sizes: 8 Oz. (237 ml).*

### Grout Colorant Kit

Contains the materials you need to change the color of your grout.

- Grout Colorant Pre-Treat
- Grout Colorant
- Application Brush
- White Nylon Pad

*U.S. Sizes: 1 Kit*

*Canadian Sizes: Not available*

### Aqua Stain

Concentrated translucent stain designed to change the color and enhance the natural texture of porous adobe clay tile.

*U.S. Sizes: Pint (473 ml).*

*Canadian Sizes: Not available.*

## INDUSTRY LEADERSHIP

Aqua Mix plays an important role in the stone and tile care and maintenance industry with active involvement in the following associations:

- Australian Stone Advisory Association (ASAA)
- Australian Tile Council (ATC)
- Building Stone Institute (BSI)
- Construction Specification Institute (CSI)
- Ceramic Tile Distributors Association (CTDA)
- Ceramic Tile Institute of America (CTIOA)
- Marble Institute of America (MIA)
- National Cleaning Supplies Association (NCSA)
- National Terrazzo and Mosaic Association (NTMA)
- National Tile Contractors Association (NTCA)
- The Tile Association (TTTA)
- Tile & Marble Association of Canada (TTMAC)
- Western States Ceramic Tile Association (WSCTA)
