

SAMEDAY™ GROUT SEALER

DESCRIPTION:

AQUA MIX SAMEDAY™ GROUT SEALER is a no-sheen, natural look, water-based, non-flammable, aerosol sealer especially formulated for grout. This innovative spray is a quick and easy way to apply a grout sealer without the need to wait until the grout has cured. SameDay Grout Sealer can be applied as soon as 2 hours after grouting – making sealing an efficient, economical process. Allows moisture vapor transmission.

USES:

Recommended for use on:

- Use on cementitious sanded and unsanded porous grout joints for ceramic tile installations.
- Effective for interior and exterior applications.

COVERAGE:

Approximately 300 to 500 sq. ft. (28 m² to 46 m²) per 15-oz. can (444 ml), depending on size and porosity of grout joint, temperature, humidity, and method of application.

EXPECTED WEAR:

- Will vary depending on hardness and texture of grout, type of area, surface wear, frequency, and type of maintenance products used.
- The expected wear is **up to 3 years**.
- Weather conditions, harsh cleaning methods, and high-alkaline, acidic, or solvent-based cleaners will affect wear.

TEST A SMALL AREA:

According to application instructions with a 24-hour cure time to determine desired results. Test for stain repellency using likely contaminants.

APPLICATION:

- 1.) **Read entire label before using.**
- 2.) **SHAKE WELL** before using.
- 3.) For new installations, sealer can be applied as soon as 2 hours after grouting.
- 4.) Grout joints must be clean, dry, and free of existing sealers or coatings.
- 5.) Invert can and point nozzle toward the grout, keeping nozzle 10"-16" (25 cm to 41 cm) from the surface.
- 6.) Depress nozzle and spray along grout lines. Some sealer will get on the tile, which will evaporate without the need to wipe dry. **NOTE: Be sure any sealer that does not penetrate surface is removed from surface within 5 minutes of application using absorbent paper or cotton towels.**
- 7.) If 2 or more coats are applied, allow a minimum of 30 minutes drying time between coats. Be careful not to directly rub fresh grout if sealer is applied same day as grout.
- 8.) After 2 hours conduct a test to determine if surface is completely sealed by applying water droplets to the surface. If water is absorbed, apply an additional coat. Wait 2 hours and repeat the test.
- 9.) Ready for surface traffic 2 hours after final coat. Keep area dry for 12 hours. Achieves full cure in 24 hours.
- 10.) May be reapplied as needed to grout joints that are clean.

FOR PRE-GROUTING APPLICATION:

Apply over clean stone or tile a minimum of 2 hours prior to grouting - follow application procedures above.

MAINTENANCE:

- Aqua Mix Concentrated Stone & Tile Cleaner, is recommended for routine cleaning.

TECHNICAL ASSISTANCE:

Call 877-278-2311, Monday through Friday, 6:00 a.m. to 4:30 p.m. or Saturday, 7:00 a.m. to 12:00 p.m. Pacific Time.

LIMITATIONS:

- Do not allow sealer to come in contact with any non-recommended surface.
- May slightly lighten or darken some surfaces.
- Sealer will not prevent surface wear or etching from acids or caustic chemicals.

HANDLING AND STORAGE:

- Close container tightly after each use.
- Store in original container only.
- Store and use between temperatures of 50 °F and 80 °F (10 °C and 27 °C).
- Unused, stored product is freeze-thaw stable.

CAUTION:

- **KEEP OUT OF REACH OF CHILDREN.**
- Do not puncture or incinerate container.
- Do not expose to temperatures above 120 °F (49 °C).
- During spray application, avoid inhaling mists. A NIOSH-approved respirator is recommended if spraying large amounts of material for prolonged time in confined areas.
- Gloves should be worn during application.
- **IF INGESTED:** Do not induce vomiting. Drink 1 to 2 glasses of water.
- **EYE AND SKIN CONTACT:** Flush thoroughly with water. If irritation persists, seek medical attention.

WARRANTY:

SATISFACTION GUARANTEED. If not completely satisfied with this product's performance, **when used as directed**, contact Aqua Mix for exclusive remedy of either refund of purchase price or replacement of product upon return of unused portion with proof of purchase within one year of purchase. Determining suitability of product for any intended purpose shall be solely the responsibility of the user. **THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, WHICH EXTEND BEYOND THE DESCRIPTION ON THIS LABEL. IN NO EVENT SHALL AQUA MIX BE LIABLE TO THE CUSTOMER OR ANYONE ELSE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, HOWEVER OCCASIONED. ALWAYS TEST FIRST.**
